Friday 28th September 2018

Contents of this newsletter:

- Mrs Burns
- Staff Car Park
- Vegetarian Option
- Library Books
- Gressenhall
- Dates

We are already 4 weeks into the school term times flies! I have been very impressed with the attitude of the children towards their learning. They are always keen and enthusiastic. I was very interested to see Diamond class carry out a practical investigation in their Science lesson connected with their work on particle theory.

This term, we will be having a focus on reading. It is really beneficial if you could hear your child read on a regular basis. We hope to hold a reading workshop for parents later in the term.

We are always very grateful for the voluntary help and support parents give in school. This week Roohi Singh will be organising a chess club which will take place on Friday lunchtimes.

I hope you enjoy looking at the photographs of our recent visit to the Gressenhall Museum. The children behaved extremely well and gained a great deal from the visit.

Please remember that school will be closed on Monday, 1st October, we again apologise for any inconvenience caused.

This is a reminder that the staff car park is for disabled badge holders ONLY

If your child orders a vegetarian option for lunch, once it has been ordered they cannot change their mind.

We have the following library books missing, so would be grateful if you could check at home and return them to school, thank you.

Aliens Love Underpants
Brilliant World of Tom Gates
Don't Eat Soup with your Fingers
Harry Potter and the Goblet of Fire
Magic Finger
Raffkor the Stampeding Brute
Steampunk Machines
Three Cheers for Inventors
