Thank you to all those parents and friends who attended the Harvest Service. The produce will be distributed by a local food bank. A special thank you to the Friends of Fleggburgh who provided the harvest tea after the service.

During half term work begun on our prayer garden. This will be a quiet place where children can go to pray or reflect. We would like to thank Mrs Stubbs, one of our parents, who has organised this for us through the community work that HSBC Bank undertakes.
