Questionnaire

Over my years as a teacher and more recently as a headteacher, nothing has given me greater satisfaction than supporting children to enjoy reading. I think inspiring a love of reading is so important for so many reasons. Research shows that reading improves concentration, teaches children about the world around them, improves vocabulary and language skills, develops a child's imagination, helps children to develop empathy and above all reading is a fun. Working together, we can hopefully instil a love of reading for all our children by showing an interest in their reading and helping them with their book choices. We have a well-stocked library at school which I hope you will encourage your children to use and we must look out for the 'Summer Reading Challenge' in our local libraries.

Julie Church

Clubs - You have said you wanted after school clubs and we now have football and squash clubs taking place after school. In September we will add a third club led by Premier Sports which will be Performing Arts based. The future of the clubs will depend on take up but we hope your child enjoys taking part.

Attendance (this term up to and including:14.6.19) - Our aim is 97%

Whole School	94.9%
Diamond Class	93.3%
Emerald Class	96.9%

Tuck at Break

Due to lack of demand, snacks will no longer be available to purchase at break time. Children may bring a piece of fruit in from home to eat during the morning break if required. Fruit is also normally available in the classroom.

Library Books

Please can you have a good look at home to see if you have any school library books. The school Library Van will be visiting us shortly to exchange our library books for a new selection. Any books that we do not return have to be paid for.

Cake Sale for Charlie

Thank you, we raised £55

KS2 Cluster Football Tournament
20th May 2019
Lingwood Primary School

Church Flower Festival

BE SUN SMART

 Put on a Shirt

 Put on Sunscreen

 Wear a Hat

 Wear Sunglasses

 Stay in the Shade

SHARE THE SUN SAFE STORY
WITH YOUR CHILD

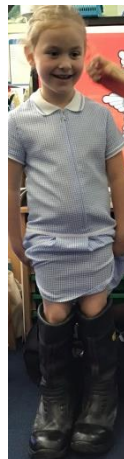

Core Value

Our key core value this half term is Compassion.
A great book written by Michael Rosen and
illustrated by Chris Ridell is:

Reading this and similar books is a lovely
way to think about compassion

Fireman Visit to Emerald Class

Thurne Mill and Marshes Visit

National tests

As you may know the government assess pupils in Year R, 1, 2 and 6. Our teachers are expert in preparing children to reach the standards needed to take the assessments and we are always astounded by the progress your children are able to make with their learning.

Well done to Year 6 pupils who recently completed their national assessments (SATS). It is always a little nerve-racking but we are so proud of the way they just got on with it and tried their best which is all we can ever ask of them.

Did you know in 2020 pupils in Year 4 nationally will be assessed on their multiplication tables?
