Geography

Have you ever been to the seaside? Maybe you've been to the beach at Great Yarmouth or Sea Palling. Talk to a grownup about the things you saw when you were there. Was there a pier? What did you do while you were there? Did you build a sandcastle or go swimming in the sea? Have you noticed anything different between the beaches you have visited?

Below are some images of things that you may have seen on your visit to the seaside:

beach

rockpools

sea

bay

pier

sand dunes

cliffs

promenade

harbour

lighthouse
