Music

For music this week we are going to learn a song with Nigel and Suki about the sea. We are going to think about the tempo of the song, recognising when it gets faster or slower.

Nigel and Suki also have an activity for you to try. It asks for you to do it in groups. Perhaps you have brothers or sisters, or a grown-up, who might like to join in with you. I've tried this activity on my own, doing both parts, and that works too.

There is a listening activity for you to try at the end. While you listen to the sounds think about the different things that you can hear. Can you hear the sea? Can you hear children playing? What sounds can you hear that are fast, or slow? Are there other sounds that you might hear when you visit the seaside?

Please follow this link for our music lesson <https://www.bbc.co.uk/teach/school-radio/music-ks1-sun-sea-song-1-the-big-ship-sails-on-the-ally-ally-oh/zb7spg8>

Here are the lyrics for the song that you will be learning

The big ship sails on the ally-ally-oh

1. The big ship sails on the ally-ally-oh.
The ally-ally-oh, the ally-ally-oh.
The big ship sails on the ally-ally-oh.
On the last day of September.

Climb the rigging!
Climb the rigging!
Climb the rigging!
Climb the rigging!
2. The captain said it will never, never do.
Never, never do, never, never do.
The captain said it will never, never do.
On the last day of September.

Salute the captain!
Salute the captain!
Salute the captain!
Attention!
3. The big ship sank to the bottom of the sea,
The bottom of the sea, the bottom of the sea.
The big ship sank to the bottom of the sea.
On the last day of September.
4. We all dip our heads in the deep blue sea,
The deep blue sea, the deep blue sea.
We all dip our heads in the deep blue sea.
On the last day of September.
