Lions

Dear Parents / Staff, can you adopt a Lion please because occasionally every year lions are brutally shot, trapped, poisoned and are traded to Williams. Can you act now and save a lion! because if you do it will make a difference adopt a lion at the Barn Free Foundation. And if you see the amazing facts about a lion you will lap to see what they can do. And it will make you adopt a lion now!! because there in extreme conditions

The Facts

They have powerful bodies and excellent senses and are formidable. They are the only large cats that hunt in packs, and don't forget to adopt them before they all go extinct!! and it is going to be good because it will make a massive difference.

all the gifts

You get a free cuddly toy on Adoption Pack and a Adopt Magazine and its only 3 £ a month to pay for the lion how might you feel if you were this lion being shot and poisoned so adopt this lion don't forget otherwise you won't see them anymore! difference can change everything. help them because there petrified and if you see them it would save them from extinction.

Adopt The Lion

So do you want to make a difference adopt a lion now to make a difference because they are under threat so adopt a lion now while they still exist.

😊 You use some great phrases to convince me! HP.
