May 2021

[Contents of this newsletter:](#)

It has been wonderful to have a straight run since Easter with the school fully open. There is certainly much hope on the horizon, which is wonderful for all of us but especially the children.

It has been a long half term but all the children have tried so hard, settling back into school and friendships and showing increasing stamina with their learning. They have been as impressive as ever!

I do hope you have an excellent half term break whatever you choose to do. Time to recharge batteries, ready for enjoying all the learning opportunities on offer in the summer (possibly sunny) last half term of 20/21.

Best wishes

Julie

## Transition

Just to reassure you, staff will be working with the children next half term to prepare them for their new year group so that they go into the summer holiday knowing what to expect in September.

THIS SCHOOL IS  
**NUT FREE**

**THANK YOU**  
for keeping our school safe!

## Staff News

Sandie Robinson (Federation SENCO) will regrettably be leaving us at the end of term. Those of you who have met and worked with Mrs Robinson will know what a loss for our schools this is. She is taking early retirement and I know you will join me in thanking her and wishing her well in the future. We are currently recruiting a new SENCO.

## Reminder

Please only send in water in the children's bottles, as sipping on juice is very bad for their teeth.  
Emerald Class – PE kits must be in school colours.

Our key Core Values this term are:-

Compassion  
&  
Courage

During lockdown, I started to think about ways I could raise money and for some reason shaving off my hair came tops! I have chosen Macmillan because so many of us over our lifetime will know a family member or family friend that will be impacted by cancer in some way. If shaving my hair off helps in some small way, I will be proud to do it!

Well done Mrs Glover, if you would still like to donate please do so at:
