

A reflection

Green Deputy	Green is the colour of life and growth.
Green Captain	Pray for all those who work to ensure that the resources of the world are used wisely and for all who work to bring us food.
Blue Deputy	Blue is the colour of rain.
Blue Captain	Pray for all those who are struggling to make a life in nations where there is not enough water or where there is too much water.
Yellow Deputy	Yellow is the colour of sunshine and joy.
Yellow Captain	Pray for those who work to help us have enjoyment and fun and pray for those who may feel sad on this day.
Red Deputy	Red is the colour of love.
Red Captain	Pray for those you love and for those who may be missing family and friends.
	God, we thank you for health and food, for love, fun and friends.
All	Amen
