Drop off and pick up after half term.

Covid cases in schools are currently high across Norfolk. Covering staff absence due to staff needing to self isolate is a big challenge for schools. Fingers crossed, we have not had too much disruption at Fleggburgh but we think it wise to air on the side of caution until half term and keep the current arrangements in place. Staff truly appreciate your patience and understanding with this.

However, from Monday 21st February, we would like to return to our previous drop off and collection arrangements.

The top gate on the playing field will be open in the morning and the gate to the playground will be unlocked at 8:45am. Parents and pupils are welcome to wait on the playground until the bell is rung at 8:55am, when the pupils will line up to go in to school. A member of staff will be on duty on the playground from 8:45am.

At the end of the day, the gate to the playground will be open from 3:10pm. Emerald class will be dismissed from the front entrance door and Diamond class from their cloakroom door.

May we remind you that the climbing frame on the field and the adventure playground area should not be used during drop off and collection time as it is not supervised and we thank you for your co-operation with this.

Year 5 and 6 residential – Horstead Centre

Year 5 and 6 are very excited about their residential, which will take place from Wednesday 2nd to Friday 4th February. We are hoping to post what they have been doing and learning every day on the website so please do check to see their adventures!

On Monday 10th January, we had our 'Penny Loaves' Assembly - A time honored tradition dating back more than 100 years.

The event sees members of the Burgh and Billockby Trustees of the Poor present each child at the school with a loaf of bread - known as penny loaves.

Norse Catering are proud to be supporting Norwich City Community Sports Foundation's Active Canaries Health Month! Every Thursday between 7 March and 31 March 2022, we will be offering a very special menu. The recipes have been developed by Daniel Savage, head executive chef for the first team at Norwich City Football Club in collaboration with Norse Catering's menu development team.

Each week the menu will focus on a first team player linking with their nationality and the various food types that help power them on the pitch. There will be fun food facts around health and nutrition plus some exciting collectable player cards for children taking part with recipe information to take home. The Foundation will also be delivering online assemblies every Wednesday during the four weeks.

'What God Means To Me'

God is really kind and God is a nice person - like saving people and we miss him. We say prayers because we all believe in God and Jesus. We all love them. We all go to the church. I chose this colour because it makes me think of God. Bradley ☺

What God is to me.

He is everything to me like loving and trustful.

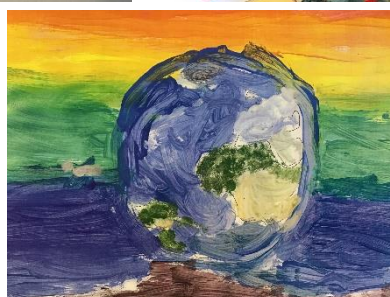

Or you could say he soars every day.

Loving must be a big job for God.

You must know why I chose GOLD

It is because gold is like a royal colour and God is royal to me.

Ruby S

What God means to me.

My God is loving so that is why I have done the love heart because to me it means lots of love. <3

God loves everyone and we love everyone.

I did the clouds and the splashes because God is Omniscient (all knowing) and I did a rainbow because he does everything.

I did the lines that went from dark to light because you have arguments and God forgives us.

Sabina ☺

What God is to me

I did colourful splashes because: God brings joy, love and compassion. He loves us for who we are and what we are. I drew what my God is like to me. <3 God created the world, all of us and Love. He made life its self and he made you. I drew the ocean to represent forgiveness ☺ God to me is everything - he is our creator. He is my creator - he is your creator. I trust God, I believe in God. ☺ <3 God is amazing, fantastic and fabulous. He is my God.
