Dear Parents / Carers

Well, I had a wonderful weekend last weekend accompanying Mrs Rounce, Mrs Glover and the Years 5 & 6 children to the Horstead Centre. It was great fun and the children's behaviour was exemplary. Thank you to Mrs Rounce and Mrs Glover for all of their organisation.

I hope you all enjoy your half term however you choose to spend it.

Best wishes

Julie

SATS - Thank you Elle, Kian, Lexi & Taylor

Well done to our wonderful four Year 6 pupils who completed SATS week, seemingly taking things in their stride. We feel proud of their positive attitude and the effort they made to do their best

Year 2 SATS

Year 2 have also completed SATS. They worked hard and preserved well to complete the test papers. Superb effort Year 2, you certainly soared on wings.

Attendance this year

Emerald Class 92.18% Diamond Class 89.76%

Overall 90.97%

We are concerned about the current low attendance, I hope we can work together as a school community to boost this % so that we can minimise gaps growing in the children's learning.

Best Attendance

Emerald Class – Eryn & Rory Diamond Class – Daniella & Maya

COVID

Some of you have asked what the advice is if family members have COVID. Children should attend school even when family members have COVID. If the children are unwell with COVID they are advised to stay at home for five days.

Forest Schools

Reception and KS1 are enjoying Forest School with Little Explorers each week.

In September every year group will enjoy a weekly session of Forest School. We think years 3, 4, 5 and 6 will really benefit from this outdoor learning approach.

Transition

The teachers have plans in place for next half term to ensure all the children are ready for their new year group on September.
