Childcare offers for parents

The Childcare Choices campaign aims to raise awareness and understanding of the support available from the government with the costs of childcare.

You can help ensure your parents and carers aren't missing out by directing them to <https://www.childcarechoices.gov.uk/> where they can easily find the right offers of childcare support for them.

With the school Christmas holidays approaching and looking ahead to half term in February, it is more important than ever that your parents and carers are able to access the financial support they qualify for. They could be entitled to:

- up to £2,000 a year of Tax-Free Childcare per child (or £4,000 if disabled) for children up to 11, or 17 if they're disabled
- help with up to 85% of their childcare costs for children up to 16 with Universal Credit
- 30 hours of free childcare for 3 and 4 year olds if they're a working family in England.

Thank you we raised
