

## **Our Collective Worship Plan**

They will soar on wings like eagles

They will run and not grow weary

They will walk and not be faint

Isaiah 40

Respect Responsibility Trust Perseverance Compassion Courage

Our school is the secure base from which we can all 'soar on wings'. Through valuing one another and the world in which we live, we flourish. Through providing rich opportunities, we can imagine fulfilling futures. Through a shared love of learning, we transform lives.

Daily collective worship is one of those rich opportunities we value and look forward to each day. We like to come together as a strong community, it helps us feel happy and safe and allows us time to share our love of learning about God, ourselves, others and the world in which we live.

We approach collective worship in different ways. Children influence our plans and are able to lead their learning. We create opportunities for reflection and praise.

Although we may adapt our plan to respond to significant events, our weekly plan is as outlined below. Each term we have a focus on one of our Christian core values and the content of collective worship reflects this fact. We support the children to relate what they learn, through collective worship, to how we 'soar on wings'.

Our Collective Worship is supported by the commitment of our four Worship Leads who are four of our senior pupils.
