Action Plan

Topic 1

Eco-Schools Topic	**School Grounds**
Aim Write a short explanation of what you hope to achieve.	To develop the outside area to incorporate a space to grow fruit and vegetables which can be used in our school kitchen.
Action(s) Add actions you are going to take/projects you will deliver to achieve your aim. Include delivery dates to set yourself a timeline.	- Existing raised beds will be cleared by Spring 2026. - We will ask for donations from parents and carers of pots/compost/fruit and vegetable seeds etc over Easter holidays. - Eco-committee, plus others who wish to join a gardening club, will spend some lunch times planted and tending to the plants. - A watering rota will be set up. - Our school cook will be invited to use any produce in the Summer term when it is ready.
Informing & Involving Explain how you are going to promote your activities and involve your school community.	Parents will be asked for donations. Mrs Buckingham will be asked to use to produce. The rest of the KS2 class will be asked if they want to help with the gardening.
Monitoring & Evaluation Consider how you will monitor the impacts of your projects and evaluate their success.	We will check at Easter our progress and then regular check ups and monitor whether the eco-committee are regularly watering and caring for the plants throughout the summer term.

Action Plan

Topic 2

Eco-Schools Topic	**Energy**
Aim	To provide parents and carers with a self-assessment tool, advice and information on how to save energy.
Action(s)	-Eco-committee will produce an information newsletter, sent via email in order to save paper. -It will include a questionnaire to assess their current energy usage. -It will give advice about how to save energy at home and on the way to school. - Turning off lights, insulation, turning things off standby, walking to school etc. - This will be produced and sent by Feb half term 2026.
Informing & Involving	- All parents and carers to receive email.
Monitoring & Evaluation	- Check progress at eco-committee meetings. - Office to assist on sending emails before Feb half term.

Action Plan

Topic 3

Eco-Schools Topic	**Waste**
Aim	To recycle food waste and make use of the wormery which is already in school, encouraging the school cook to recycle food waste and children to take responsibility for separating lunch waste.
Action(s)	- Eco-committee to meet with Mrs Buckingham in March 2026 to discuss food waste and what she can provide for the wormery. - Eco-committee to do assembly to explain and set up new food waste bin. - Eco-committee to put food waste into bin (as agreed with Mrs Buckingham). - Wormery in use by May 2026
Informing & Involving	- Eco committee to do an assembly to introduce the wormery and food waste to the school. - New bin installed as part of the hall/kitchen set up.
Monitoring & Evaluation	-Eco-committee to monitor weekly and evaluate success of the wormery in July 2026.
